

TEXTILE LIBRARY SEPTEMBER 2018 - JULY 2019 CALENDAR

The Associazione Studio di Tessitura Paola Besana hosts the textile library that Paola Besana has been putting together over many years. The library consists of nearly 2,000 books and has been built along three main lines: weaving as a craft and as industry, and its economical, social, cultural and artistic aspects; creativity in both traditional and personal production; other techniques involving yarns and fibres, from dyeing to needlework and knitting.

Visitors and researchers are welcome on appointment. If, after a first visit, you want to come back a second time and start using the library's facilities on a regular basis, you will be asked to take up a membership of the textile library (€ 15) or the Associazione (€ 35).

How to book a visit:

Please write us an email no later than the Sunday before the day you want to come, stating

- your full name and telephone or mobile number;
- whether you are already a member or a first-time visitor;
- whether you have a specific research topic or you just want to have a general idea of the library and its holdings.

THE LIBRARY IS OPEN TWO WEDNESDAYS PER MONTH, 3pm to 9pm
